CAMPUS SCENE

#### THE CHOIR

W. V. HELSLEY  
Director

The College Choir has had a very successful year. Its membership has increased ten or twelve over that of last year. Several programs of exceptional worth have been presented. A Christmas cantata was presented at the college and at Madisonville. It was well received at both places and the Christmas candles added to its effectiveness. The choir has as its aim a better worship service through the inspiration of song.

<i>President</i> .....	Mrs. H. B. Abshire
<i>Treasurer</i> .....	Lon Moneyhun

#### THE DRAMATIC CLUB

During the year 1935-1936 the Dramatic Club has made many improvements, both in its club room and in its membership. It is very proud of its renovated club room which was brought about through the cooperation of each member and the courtesy and kindness of friends. The members wish to take this opportunity to thank Mr. Smith of the Don P. Smith Chair Co., of Loudon, Tennessee, for the kindness and generosity he showed in donating a half dozen chairs to the club room.

The annual play "The Light Eternal" was presented three times. It was a very successful production.

Members of the Dramatic Club have made several trips to the CCC camps and have had some radio broadcasts.

#### THE HIWASSEE CHAPTER OF THE PHI RHO PI

Forensic Fraternity has enjoyed a fruitful year. After starting with five tentative members at the beginning of the school year, its membership has increased to twenty-three with thirteen joining the National Fraternity. This is the largest membership the local chapter has ever had, and is also the largest chapter in the Southeastern Division, consisting of twelve Junior Colleges. Each member won his or her membership by representing the college in some forensic contest. Elizabeth Smith, Christine Scott, Sarah Taylor, William Davis, Wilmer Robbins, and Mrs. J. M. Colston, sponsor, won the degree of highest achievement in the organization.

The debaters participated in twenty-two decision debates, winning eleven, and nine non-decision debates. The senior colleges that they debated were Maryville College, Maryville, Tennessee; Piedmont College, Demorest, Ga.; and Concord College, Athens, W. Va. The junior college debates were with Tennessee Wesleyan, Wingate, Rio Grande, South Carolina Textile, and Virginia Intermont.

In the Southeastern Division tournament, Elizabeth Smith won first place in Dramatic readings. The boys' debating team, William Davis and Wilmer Robbins, tied for second place, and the girls' team, Sarah Taylor and Christine Scott, tied for third place.

The graduating members of the organization look back with pride on the work they have done, and regret very much that they can not be in the work longer. However, they are happy to leave such an active group of students to carry on the work next year.

Officers: President, Wilmer Robbins; vice president, Anna Leake; secretary, Edith Bledsoe; reporter, Christine Scott.

#### DELTA PSI OMEGA

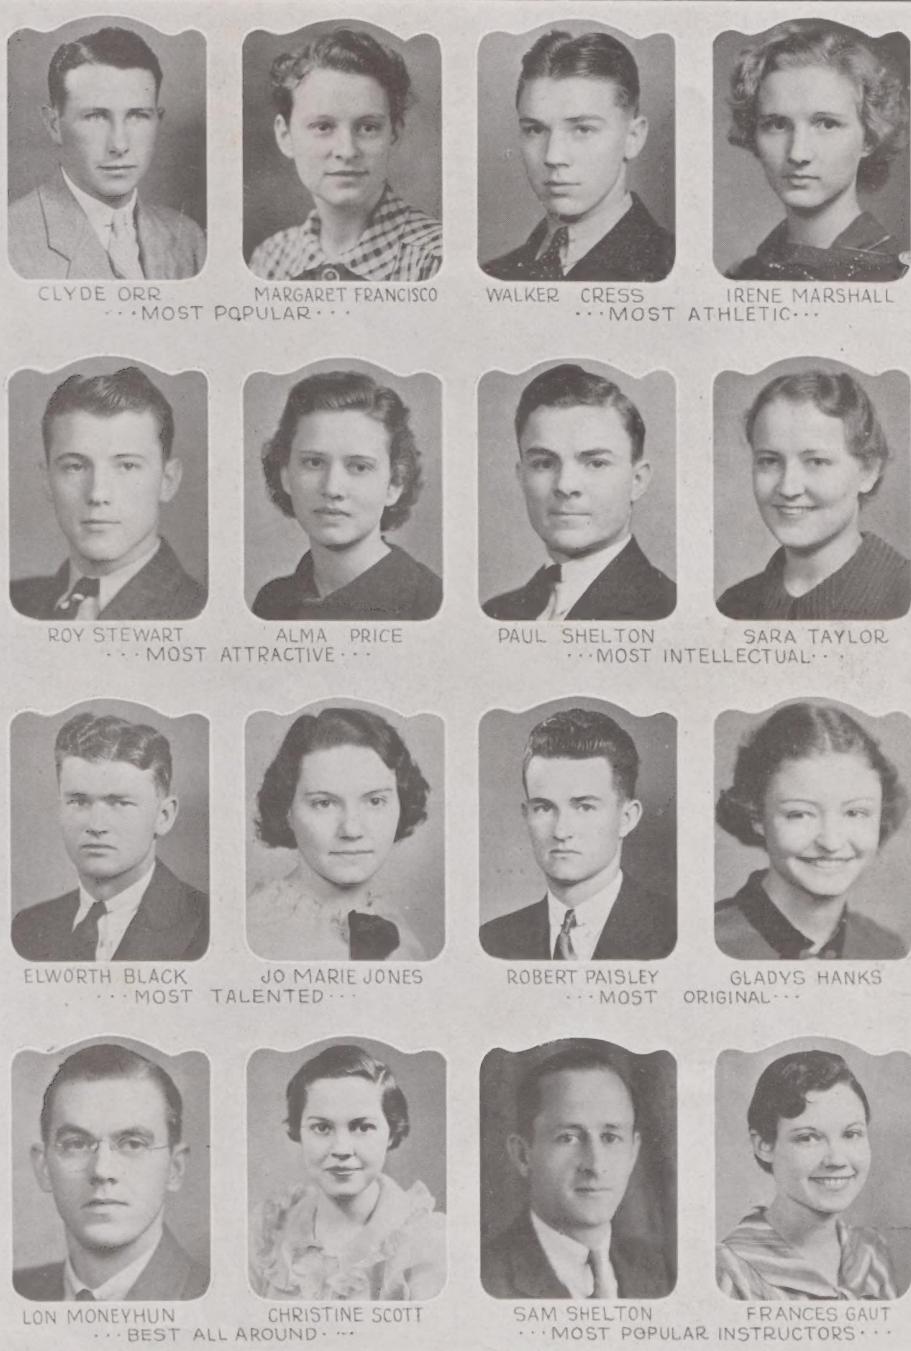

Although it is the youngest organization on the campus, it is by no means the least active. This organization has taken over as its added enjoyment to college life the sponsoring of the May Day festivities.

Under the skillful leadership and cooperation of the following officers the fraternity has taken its place in the campus life: cast director, Mrs. J. M. Colston; president, Elizabeth Smith; vice president, Grace Boring; secretary, Henry Bryson; reporter, Kitten Bonardi.

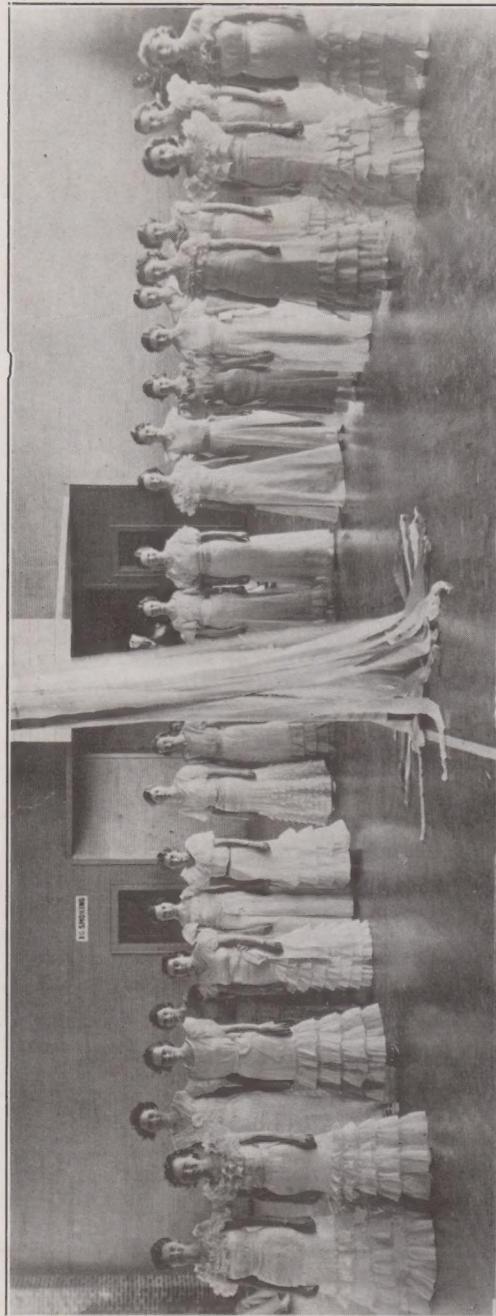

May Day was celebrated on May 14. The morning was devoted to field day under the competent supervision of Mr. D. R. Youell. The afternoon's program featured the opening of the college swimming pool. In the moonlight the purchasing, settling, and the growth of Hiwassee College was portrayed. The May Queen was crowned as Queen of Education.

The most delightful outing for the year was the fraternity's week-end trip in the fall to Mt. LeConte. Climbing the autumnal decked mountains was the climax of the excursion.
